As a learning community, Encore Jr./Sr. High School promotes and supports our students' pursuit of their current interests and postsecondary goals. It is the intent of these graduation tracks to prepare our graduates for higher education at the college/university level, trade school, or entry into industries for employment. These graduation tracks establish set standards of expectations and achievements for satisfactory completion of requirements necessary to earn the high school diploma from Encore Jr./Sr. High School.

Due to the increased requirements for graduation in each of the graduation tracks, it is our responsibility to provide adequate time and preparation for our students to choose their graduation track, and to meet the requirements in the track they choose.
