TECHNOLOGY ON CAMPUS

Encore High School recognizes the importance of technology in the 21st century. All classrooms have instructional technology including digital projection, audio, and high speed wireless internet. The entire campus has various access to the internet.

1:1 CHROMEBOOK PROGRAM

Every student at Encore is checked out a Chromebook for use at school and at home. Students keep their Chromebook during the school year and then turn it in during the summer (unless enrolled in summer school.) Accommodations are made including zoom technology for larger print, peripherals, printed copies of materials and many of the courses have accommodations built into the programs. Encore also has personal Wi-Fi hotspots for use by students who do not have reliable wireless internet access at home.

AERIES PARENT PORTAL

Once enrolled at Encore, parents and guardians have access to their student's attendance, assignments, and grades through Aeries. Email notifications are sent through Aeries regularly by Encore's teachers. Students and Parents are given access through Encore's student services department.

COMMUNICATION WITH THE COMMUNITY

Encore uses a variety of technology platforms to make sure that parents and students are informed of upcoming activities, performance events, and academic deadlines. Daily and weekly bulletins as well as other announcements through phone call, text message, blog post, social media post, and email to keep everyone informed. Parents can also log in every month to be a part of Encore's School Board meetings via Twitch and YouTube. Encore's official website is www.encorehighschool.com.
